ACCESS THE EDGE 2019

AUGUST 29TH & 30TH

are **YOU** ready
to make an impact?

Access the Edge is a unique opportunity for participants to raise pledges in exchange for a once-in-a-lifetime experience.

Enjoy an amazing view of downtown Wichita from the rooftop of the Ambassador Hotel before rappelling 14 stories down the side of the building!

Project Access invites you to take your fundraising to new heights as you rappel and make an impact for thousands of individuals and families in need of health care services.

MAKE YOUR BOSS **AN EDGER!**

Now it's time for some payback! Challenge your boss to face their fears for families in need.

But, beware! If your leader matches organization contributions, they can choose **SOMEONE ELSE** to go over for them!

STEP 1

Sign up now to become an Edger. The \$50 registration fee will count towards your fundraising goal.

STEP 2

Raise a minimum of \$1,000 by August 19, 2019 to support Project Access and get ready for the thrill of a lifetime! The first 70 fundraisers to raise \$1,000 secure a spot on the ropes.

STEP 3

Experience the once-in-a-lifetime opportunity to **rappel down the Ambassador Hotel** building!

Not into heights? Donate to an edger or make a general donation! For more information visit Project Access on Facebook.
